Issue 12 - March 2nd 2018

What a week!

I think we are all a bit fed up with the weather now! Well done to everyone who made it into school today, the excitement that met us was a worry, a frozen heating pipe! All the children were taught in the library, where the new underfloor heating system is, so they all had a cosy morning. Poor Mr Allerton was bundled into the boiler room, when he dropped his children off, and replaced said pipe so that we didn't have to close school again. Thank you very much Mr A for literally saving the day!!

Sadly we had to postpone our trip to Darlington to see Awful Aunty at the Hippodrome. We just couldn't take the risk of the children and staff being on a bus whilst the road were so horrendous, but the theatre were fantastic and have said they would re-fund our ticket cost, so we can re-book another trip when the weather perks up!

School website

The website is currently in the midst of an overhaul! Hopefully it won't be long until the photos are all updated, plus the information around the governors and who's who and everything else really! Unfortunately it's not as quick and simple as it looks but we are working hard to resolve underlying issues and will let you know when it is running at 100%. Thanks for your patience.

Bewerley Park

The final visit for the Year 5/6 pupils will be on Wednesday 7th March.

The session will require the children to bring additional clothing as they will be getting wet!

Children will need:

A swimming costume

A base layer of clothing to wear on top of the costume that is not cotton

A fleece or hoody

Wellies (although not expensive ones in case they get lost - the centre can provide wellies if you are unsure)

Socks - a thin pair and a thicker pair

Gloves and hat

Towel

Shampoo or soap

A **complete** change of clothing (including shoes!) to change into once they have finished. They will have their school uniform with them to change back into but an extra jumper and warmer jogging bottoms could be useful. They will also need a coat.

The centre will provide:

a wetsuit for all pupils to wear over their costume and base layer

wetsuit socks- to wear over thin socks

wetsuit gloves

a thick waterproof jacket and trousers

helmet

wellies - if required

Because the children will need to have a shower and change after each activity, we will be late back to school 5pm at the earliest. Sorry for any inconvenience caused.

Trip to the Oriental Museum

From Ancient Egypt to modern China, they are the only museum in the North of England devoted entirely to the art and archaeology of the great cultures of Northern Africa and Asia. Class 2 will be visiting them on Thursday 8th March. The children will be transported there and back by the STW Minibus. Mrs Roullier will provide a packed lunch for the children who normally have a school lunch. Please complete the attached permission form and return to school ASAP. Alternatively you can e-mail your permission to admin@kellbank.n-yorks.sch.uk

WORLD BOOK DAY

New date to follow as 1st March was a snow day!

The children are asked to come to school dressed as their favourite storybook character!

The teachers will be presenting five new fabulous non-fiction books to each Key Stage. We will read extracts from them and show the children the layout. Then we will have a very exciting vote and choose some top 5s - best illustration, most interesting fact, cleverest layout idea and finally have votes for the number 1 new book. We are going to make a display for the library so everyone can see what a fantastic day we have had!

In the afternoon we ask that the children have their favourite book with them. They will take one scene from it and do a piece of artwork based on their choice.

Again, we are going to make a wonderful display.

Parents are very welcome to come along between 9-9.30am to read with the children.

Every child will receive their £1 book token which can be redeemed for one of the special £1 books, a few of which are pictured here.
