

Kell Bank News

Issue 13 - March 16th 2018

Trip to the Oriental Museum

From Ancient Egypt to modern China, they are the only museum in the North of England devoted entirely to the art and archaeology of the great cultures of Northern Africa and Asia. Class 2 visited them on Thursday 8th March and had a fabulous day, despite the rubbish weather! The bonus was, no other schools could make it so we had the museum to ourselves.

Cookery Club

The cookery club is a great success and we have had 2 huge donations towards the running of it! Friends of Kell Bank have donated £120 and Fearby & Healey WI have given us a cheque for £100, plus a box of cooking utensils, baking trays etc etc. Thank you so much everyone, from your monetary donations to your time teaching the children to cook amazing treats. The children will be showing their skills off at our **school open morning on Thursday 29th March 10-11.30am**. Everyone is very welcome to join us.

School website

The website is currently in the midst of an overhaul! Hopefully it won't be long until the photos are all updated, plus the information around the governors and who's who and everything else really! Unfortunately it's not as quick and simple as it looks but we are working hard to resolve underlying issues and will let you know when it is running at 100%. We do now have a Twitter feed that is embedded onto the website, therefore when we post on Twitter the details immediately go onto the school website! Any parents who don't want their children's photos on social media and the website please let us know by return. We are moving forward! Thanks for your patience.

Hockey

Our Y3/4 hockey team had a rather damp day taking part in the small school cluster hockey tournament at Bedale. We didn't get placed but we played magnificently - well done Team KB!

Don't forget the Parents Forum meeting on Monday 19th March at 6pm, you are welcome to come and join in the discussions regarding our plans after half term, our way forward in promoting our fantastic school and any other concerns(or praise!) you might have.

We are having technical issues getting photo's onto the newsletter and the website at the moment, but we hope to have the problem fixed very soon.

As part of Sport Relief "A Billion Steps" week we will be doing lots of counting steps! The children will be taking turns in wearing pedometers and recording the steps that they take during the week. A full report will follow when we have totted all the steps up.

Dates for diaries - KELL BANK
