Issue 16 - June 8th 2018

Welcome Back!

Miss Hunt has had a lovely first week teaching Class 1. They will be learning about Kenya this half term so if anyone has any photos or objects/artefacts that they could lend us please could they be brought into school. Many thanks in advance.

PE Kits

Please can we remind you that all pupils need PE kits all week, every week, for this half term as we have the sports coach in Tue/Wed plus we will be having additional sessions in preparation for sports day.

Giant Slayer

You will see on the attached dates for diaries that, starting next week, Y3/4/5/6 begin rehearsals for "The Giant Slayer" This is a performance organised by the small schools cluster, so other schools in our area also take part in the final performances on 4 & 5 July at The Forum in Northallerton at 6pm. More details of the evening performances will follow but in the meantime, if you **DO NOT** want your child to attend the various rehearsal dates please let me know by return e-mail. The children will be transported by minibus and a staff car to each practice session.

Y6 Activity Day

Our leavers have been invited to an activity day at Pickhill on Monday 18th June. The children will be taught archery, fencing and dance! Please can parents supply a packed lunch for their Y6 child as our lovely cook Mrs Roullier cannot supply pack-ups on a Monday. An e-mail will be sent out re permission to transport/attend.

Class 1 trip

Class 1 will be visiting Swinton Park on Friday 22 June at 9.15 to see the birds of prey and the fawns in the deer park. An e-mail re permissions will be sent out.

Burn Valley Run

We have again agreed to be a water stop for the very popular Burn Valley Run on Sunday 8th July. If anyone would like to help on the day please let us know. Thank you.

Our School Business Manager, Karen Thompson, will be riding in a charity horse race at York Races next weekend. She is raising money for Macmillan Cancer and has so far raised nearly £10,000!!! If anyone is determined enough to push themselves to the limit for a worthy cause it is Karen. Anyone wishing to support her fabulous fundraising can leave a donation in the school office. Good Luck and giddy up Karen - see you in the winners' enclosure!!
